Wishing you and your family good health, prosperity and happiness for the Year of the Pig, from all of us at Spectrum International Hospitality Services.

2019 is the Year of the Pig, the twelfth of all zodiac animals. According to one myth, the Jade Emperor said the order would be decided by the time in which they arrived to his party. Pig was late because he overslept. Another story says that a wolf destroyed his house. He had to rebuild his home before he could set off. When he arrived, he was the last one and could only take twelfth place.

In Chinese culture, pigs are the symbol of wealth. Their chubby faces and big ears are signs of good fortune as well.
