### Food and Beverage Trends in the Lodging Industry

Avendra today releases a new Food and Beverage trends report titled "Lodging Food and Beverage Outlook" that gauges demand for hotel Food and Beverage over the next two to three years. The findings reveal current Food and Beverage and occupancy performance, identify hoteliers' investment plans and detail new food formats for the future.

"Today's restaurants face multiple pressures based on shifting consumer behaviours," said Chip McIntyre, senior vice president of strategic sourcing, Avendra. "We worked with an independent third party to help identify those behaviours to ensure that the restaurants and food operations our hotel customers own and operate can remain relevant in an increasingly diverse and competitive environment."
