Maintaining the guest experience uniform is the vital element of any hotel. It starts right from the moment a guest lands at the airport and receives a warm welcome from the chauffeur and continues till the time he/she is dropped back. Many factors define in raising the guest escapade. As the technology is advancing and people are travelling more, the trends are changing quickly. As hoteliers, it is imperative to cope up and adapt to these emerging trends to evaluate guest experience and satisfaction. 2019 is going to be no different.

1) Smart Rooms

Technology is a game changer in today's era. Most guests are tech savvy now and want to stay in a tech-friendly atmosphere. In the coming year, a hotel can think of equipping the room which gadgets and toys such as tablets / voice assistants / motorized curtains / automatic lighting and more.
