38 things you should remove from your resume before it ends up in the 'no' pile

Hiring managers rarely have the time or resources to look at each resume closely, and they typically spend about six seconds on their initial "fit/no fit" decision.

If you want to pass that test, you need to have some solid qualifications -- and the perfect resume to highlight them.

Here are 38 things you should strike from your resume right now.

**OPPORTUNITY AVAILABLE
P-7174 - Resort Manager
Indian Ocean**

Great opportunity for a 2nd in charge executive to join a well-established international hospitality management firm. The role will work with the General Manager in managing the resort's Food and Beverage, Rooms, Engineering, Spa, and Security operations. The role will be responsible for maximising profit and maintaining brand standards for guest and employee satisfaction, and internal processes.

Due to the resort's remote location, we will only entertain applicants who will travel on a single basis.
